The June collection is a small-scale transitional style with a clean and classic design. The collection features a simple roll arm, stylized to have a modern look and a high leg that lifts the frame off the floor for a lighter appearance. This style features tailored back cushions with an elegant topstitching detail and a plush blown-fiber fill. Choose from an espresso leg or a sleek metal leg to change the look. The timeless June collection was designed to have a small footprint and is well suited to any style of living space.
