

77338 OTTAWA

The Ottawa collection is a transitional style with a unique design. The collection features a roll arm, stylized to have a modern look and a high leg that lifts the frame off the floor for a lighter appearance. The collection features tailored back cushions with an elegant top stitching detail and a plush blown fibre fill. A comfort-wave foam core is used for the seat cushions to provide the comfort of coils from a foam seat. A stabilizing foam layer is wrapped around the comfort-wave core to offer consistent comfort and support. The Ottawa is well suited to any transitional or traditional style of living space.
