

41029 PARKVILLE

The Parkville collection's sculptural silhouette was designed to marry style with classic comfort. The shapely, padded wing extends over the arm to increase the area of the soft, supportive back cushions -- perfect for lounging. The Parkville features a divided back cushion and all of its surfaces are padded, including the arm and the full chaise footrest. A power toggle switch or manual latch lets you operate the reclining function and change angles with ease. The Parkville collection will cradle your body for optimal comfort and its comfortable features will be hard to resist in any room designed for relaxing.

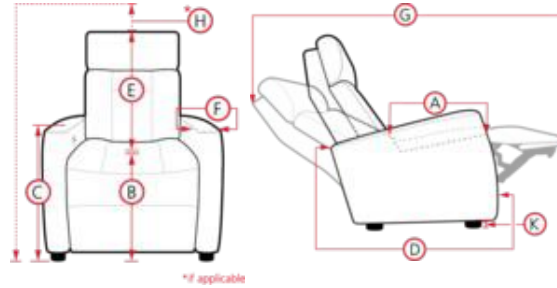

FEATURES

- Cover: All Palliser Fabrics, All Palliser Leathers
- Features: Double top stitching for a luxurious and tailored finish (on leather and select fabrics), Hidden plastic glides integrated into the base
- Frame Construction: The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
- Cushions: Semi-attached back cushions feature a fibre filling, blown into channels to prevent shifting and provide pillow-soft comfort, Full, chaise-style seat cushions feature a high-resiliency, high density foam core with a polyester wrap
- Suspension: Back suspension features 100% premium elastic webbing to provide consistent comfort and support, Seat suspension features heavy gauge sinuous springs, engineered to provide premium comfort and endurance
- Mechanism Activation: Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with a two button power toggle switch
