

## 41413 TECHNO

The Techno collection features elegant lines and soft curves. The chaise styling keeps your body completely supported while in the fully recline position. The slim silhouette makes the pieces in this collection perfect for smaller spaces, while offering all the comforts of a full-scale recliner. The simple shape and understated elegance of the Techno collection will add a level of charm to your space. Meanwhile, high-resiliency foam seating provides comfort and support whether sitting or reclining that lasts for years to come. Plush blown-fiber back cushions complete the home theater seating experience. Available in a multitude of configurations to suit any space, you can set up as many rows as needed to distinguish the lounging ambience for any occasion. As if these features were not enough, the Techno is compatible with a variety of accessories, all designed to enhance functionality and keep up with the demands of a highly functional space.

## FEATURES

- Cover: All Palliser Fabrics, All Palliser Leathers
- Mechanism Activation: All armless manual pieces recline with D-pull activation handle, discreetly hidden between the arm and seat cushion., All armless power pieces recline with a discreet touch control button switch, located between the arm and the seat cushion., Power recline with a touch button switch, located on the LED cupholder when the LED option is selected, Manual recline with pull latch, finished in an attractive gunmetal gray, Power recline with a two button power toggle switch
- Features: Single top stitching for a clean and tailored finish (on leather and select fabrics), Hidden plastic glides integrated into the base
- Frame Construction: The majority of Palliser frames are constructed from engineered wood products, hardwood or softwood; joints are pinned and glued for uniformity and strength.
- Cushions: Semi-attached back cushions feature a fibre filling, blown into channels to prevent shifting and provide pillow-soft comfort, Full, chaise-style seat
