In today's hectic world, quality sleep is at a premium. Perfect for overnight guests, sleepovers and space-challenged rooms, Palliser sleeper sofas deliver the ultimate combination of style and comfort. With its bold lines and thick proportions, the Weekender will bring character and quality into your living space. Generous track arms provide a sense of structural stability, underpinning the soft comfort of the design. Square box cushions are offset by slim track arms and detailed topstitching accents. Inside, you will find a specially designed 4-inch foam Serta® mattress with a 1-inch top layer of gel-infused memory foam that dissipates heat, keeping the body cool and comfortable while offering conforming support for ultimate sleep. Attached seat and back cushions remain attached during opening and closing, eliminating the need to be stored when used for sleeping. The transition from sofa to bed is seamless with the utilization of the European mechanism. The uncluttered profile and conveniently compact size bring extra sleeping space to smaller quarters. The Weekender sofa bed is available in European double and queen sizes.
